"Gets better every time you read it"	"One of the best books of all time"
Rating: <b>9.5 Pepper's</b>	Rating: <b>10 Nahko's</b>

***We are not just a podcast.***

We are a movement of people who believe magic can happen when you open a book.

We are a community of passionate readers navigating complex worlds and philosophical challenges that makes us question.

We are a space to understand the lessons within so we can apply them outside.

We are explorers on a mission to create a better world, one book at a time.
