GSO BOOK RATING:

JEREMY SAYS:	DAN SAYS:
Rating: 6.5 Pepper's	Rating: 4 Nahko's
	

We are not just a podcast.

We are a movement of people who believe magic can happen when you open a book.

We are a community of passionate readers navigating complex worlds and philosophical challenges that makes us question.

We are a space to understand the lessons within so we can apply them outside.

We are explorers on a mission to create a better world, one book at a time.

JEREMY
