GSO BOOK RATING:

JEREMY SAYS:	DAN SAYS:
Experimental, original, unlike anything I've read. Challenging at times, but I admire what she did.	It's such a smart book, but I respected the book more than I enjoyed it.
Rating: 8 Pepper's	Rating: 6 Nahko's

We are not just a podcast.

We are a movement of people who believe magic can happen when you open a book.

We are a community of passionate readers navigating complex worlds and philosophical challenges that makes us question.

We are a space to understand the lessons within so we can apply them outside.

We are explorers on a mission to create a better world, one book at a time.
