GSO BOOK RATING:

| JEREMY SAYS: | DAN SAYS: |
|---|--|
| It was enjoyable but it needed some levity. | I could see how people would consider it a great book, but not for me. |
| Rating: 6 Pepper's | Rating: 6 Nahko's |

A shelf love **podcast.**

How better to explore a perspective outside your own than to read a rllly rllly rllly **good book on the topic?**

To honor the power of fiction and their **love of writing**, Dan and J committed to a life with books, because books are the 🐻 when it comes to **challenging one's thinking.**
